Name: _____

Street: _____ Apt: _____

City: _____ State: _____ Zip: _____

Phone: (_____) _____ Best time to call: _____ AM _____ PM

Email address: _____

Please select your preferred payment method:

_____ **Check** (we will use the name and address provided above unless you indicate otherwise)

A business check will be mailed in an envelope via USPS to your address. We cannot send Money Orders, sorry! **PLEASE NOTE: WE HAVE NO CONTROL OVER THE POST OFFICE!** We ask that you allow at least 7 business days for delivery before contacting us for a new check.

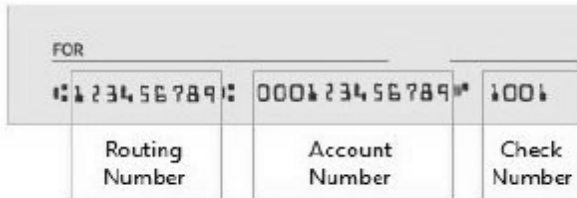

_____ **PayPal** (please provide your PayPal email login): _____

You must have a PayPal account to request this service. Visit www.PayPal.com for more info.

_____ **Bank Transfer** (if your payment is more than \$100, you must provide your bank routing and account number)

Please be aware that bank transfers are NOT instant wire transfers! They do take a full 3 business days to complete. Banks consider business days to be Mon – Fri only; they do not process on weekends. If we have your email address, you will be automatically notified by our bank when your transfer was requested, including the date the money will be in your bank account (they provide the date but not the time of day; please note that **it could be any time during that day**), and again when the transfer has been completed and the funds are available.

Routing Number: _____ Account Number: _____

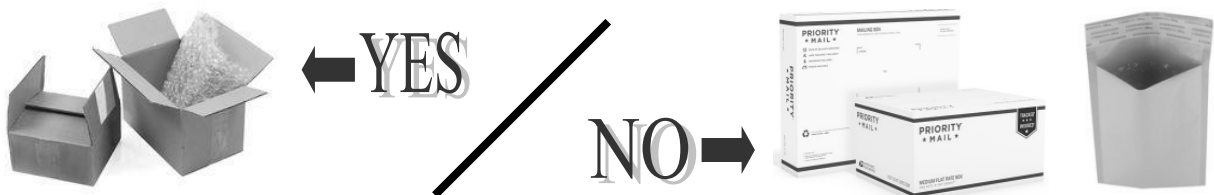

Please, no Green Dot or other pre-paid card numbers! We can transfer funds into actual bank accounts only.

_____ **MoneyGram** (we will deduct the MoneyGram Fee from your final payment to cover the cost of this service)

MoneyGram is an instant wire transfer service, and as such, does come with a cost. The final amount for the service will depend on how much your final payment is. This is a good option if you need the money immediately, but is not cost effective if we are sending you a small payment.

Please use a sturdy box to ship, not a cushion mailer or envelope!

Even padded envelopes **WON'T** protect your test strips, and we cannot purchase damaged boxes!

Also, Post Office Priority Mail boxes cost more in postage than our pre-paid labels will cover.

We cannot reimburse for that extra cost.

IMPORTANT: IF THE BOX YOU USE IS TOO BIG FOR YOUR TEST STRIPS, AND RESULTS IN POSTAGE DUE FEES THAT WE MUST GO TO THE POST OFFICE TO PAY, WE WILL DEDUCT THOSE FEES FROM YOUR TOTAL.

Using newspapers, paper towels, plastic bags, Styrofoam peanuts or bubble wrap helps to cushion the items and prevent damage. Just tape the shipping label to your box, and you're good to go!
